Cancellation Policy

Tally Ho must be notified 24 hrs. in advance if you are unable to attend your scheduled riding lesson. If you notify the instructor, 24 hrs. in advance, you will be given a makeup lesson in place of the regularly scheduled lesson. *We will leave it up to you to plan when you would like to do your makeup lesson with in the current month.* You may chose not to do a makeup if it is inconvenient for you, but you will have already paid for that lesson and will be charged for it. **If you neglect to notify your instructor 24 hrs. in advance, you will forfeit that lesson and be charged for the lesson without a makeup.**

Rain Policy

In the event of rain or inclement weather, lessons will continue on as scheduled. This is a wonderful time to do barn lessons, which are lessons which teach the students skills in horse care and ownership. Barn lessons will further the students knowledge and help them understand the horse more thoroughly. We will be using barn lessons as well to further our skills, review and test our Academy Riders.

Payment Policy

Please make lesson payments in advance for 4 lessons at a time, unless you have chosen a special riding lesson package of 10 lessons. IF you are in the Riding Academy, lessons must be paid for 10 at a time at a discounted rate of \$450. Please make checks payable to Tally Ho Equestrian Center and leave in the drop slot of Katrina's Office door or Venmo/Paypal to Katrinahutto.

Riding Lesson Program Information

Tally Ho Equestrian Center would like to welcome and invite you to our new facility. The facility is spread out over 45 acres and includes a 200 x 250 ft. riding ring, a large jump field and a full sized dressage ring. Our barn has 30- 12 x 12 ft. stalls, utility room, feed room, lesson program tack room, 10 crossties and two hot/cold wash racks, a boarders tack room, lounge and two bathrooms. Tally Ho offers lessons, boarding, camps, horse sales and training.

Katrina Brown Hutto, the instructor and owner has many years of riding and teaching experience. She has an equine science degree from St. Andrews Presbyterian College and is a judge for schooling horse shows. She has specialized in Hunt Seat instruction. We horse show at 4 different levels: Schooling, "C" State Level, "A" National Level and National Middle and High School IEA Team.

Most lesson students begin in private ½ hour lessons at a rate of \$50 per lesson. The lessons will instruct the student in how to balance, steer and handle the horse while they progress at their own pace. When the student is confident and ready they will move into a group lesson where they ride with other students at their same riding level. Groups offer the students an opportunity to meet other fellow horse lovers and watch each other ride and learn together. When they progress to riding with three students in their group then the lessons automatically become an hour in length at the same rate of \$50 per student. As the student progresses he/she will do more and more of getting the horse ready for the lesson and putting him away when the lesson is over.

Students ride a minimum of one lesson per week and may reschedule for another time if a 24 hr. notice is given. For those previously experienced riders, they will progress at their own pace and from their current level. We also offer lessons to students 4 to 7 years old from our assistant instructors, Bree Taylor and Ashley Buchanan..

Lessons run as scheduled rain or shine. if we have poor weather then we head indoors and have a hands-on barn lesson. A barn lesson is a wonderful opportunity to learn more skills out of the saddle that the students will need if they hope to own their own horse one day, horse show or just learn more about their sport. They will learn a broad range of skills, such as: grooming, tacking, blanketing, feeding, getting ready for a horse show, medical care and how to put a horse on a trailer. This is where we also learn our skills for The Riding Academy and do our testing!

There are also camps which run throughout the year which offer a way to further a students horse experience or to expose a new or possible student to the world of horses.
Please let us know if we can give you any further information or sign you up for lessons!

(All of these activities, individually and collectively, will be referred to as “The Activities” throughout this Agreement.)

All parts of this Agreement apply to me and each of the children or legal wards listed above. [We will collectively call ourselves "I," "me," or "my" throughout this Agreement.]

IT IS AGREED AS FOLLOWS: 1. Consideration/Binding Effect. I understand that although I am signing this Agreement today, I intend for it to be valid and binding when I engage in any or all of The Activities at any time in the future and at any location. 2. Risks of Equine-Related Activities. I understand that anyone riding, driving, handling, working with, or even near an equine at any location can suffer bodily and other injuries. Among other things, equines are unpredictable by nature. For example, when frightened, angry, or under stress, the natural instincts of an equine are to jump forward or sideways, back up quickly, or run away from real or perceived danger by trotting or galloping. Equines also have the ability to kick, buck, rear up, spin around, strike, or bite. I know that equines can do these and other things without warning. I also understand that all equines, even if they have no history of hurting anyone, are powerful and have the potential to be dangerous to people, equines, and other animals. I also understand that riding, driving, handling, working with, or even being near an equine can expose me to numerous hazards, which could include, for example, those dangers or

conditions which are an integral part of equine activities, including, but not limited to: (a) the propensity of an equine to behave in ways that may result in injury, harm, or death to a person on or around the equine; (b) the unpredictability of an equine's reaction to sound, sudden movement, an unfamiliar object, a person, or another animal; (c) certain hazards such as surface and subsurface conditions; (d) collisions with other equines or objects; and (e) the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, as failing to maintain control over the animal or not acting within the participant's ability. I understand these risks and dangers that are inherent in equine-related activities, and I agree to assume all of them. I also understand that these are just some of the risks, and I agree to assume others that are not mentioned in this Agreement. I am NOT relying on Stable to list all possible equine-related risks in this Agreement or any time, now or in the future. INITIAL HERE: _____

The term "damages" means, for example, medical expenses any and all claims or losses because of bodily injuries, mental/emotional injuries, or property damages, death, expenses, and/or personal property damages. This Agreement is intended to apply and be binding regardless of whether I am riding, driving, handling, or near equines. In accordance with South Carolina law, however, we are not releasing The Released Parties from loss, injury, or damage that is directly caused by gross negligence, willful and wanton misconduct, willful negligence or intentional wrongdoing on part of Stable or the Released Parties.

4. **WARNING** Under South Carolina law, an equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of equine activity, pursuant to Article 7, Chapter 9 of Title 47, Code of Laws of South Carolina, 1976.

5. INITIAL HERE: _____

6. **Statement of Intention.** I understand that by signing this Agreement, I am giving up certain rights, including the right to bring a claim or suit arising from negligence or liability on part of The Released Parties and of others who are associated with any of them, now and in the future, arising from any aspect of my

attendance at and/or participation in The Activities. INITIAL HERE: _____

7. . **INDEMNIFICATION.** To the fullest extent permitted by law, I also agree to indemnify and hold harmless The Released Parties against any and all claims, demands, actions, liabilities, losses, or suits that are brought against The Released Parties (or either of them) which are in any way connected with my participation in any of the Activities at any time and at any location, including claims that allege acts or omissions of The Released Parties that are negligent or in violation of a state Equine Activity Liability Act. This indemnification shall also include reimbursement of reasonable attorney fees incurred by The Released Parties.

8. . **ASTM/SEI Helmet/Headgear.** I understand that I should purchase and wear properly fitted and secured ASTM-standard/SEI-certified protective headgear that is designed for use when riding, driving, handling, or near equines.
